Linda,

The letter can be addressed to me. I don't necessarily need the MARS reports. This IFMS screen prints are fine. If I find I do need a MARS report I can run it when the system comes back up.

I don't think the contractor needs to sign the AOC. What we do need is a statement from someone, stating the name of the contractor, the period of performance and type of work performed.

I will send a partial bill to FEMA and hopefully that will satisfy their requirements for the time being.

Thanks for your help on this billing.
